- **An Exhibition Plus project**
- **HLF lottery application**
- **Architecture by Capita Symonds**
- **Interpretation and Learning design**
- **Interpretation budget £5 Million**

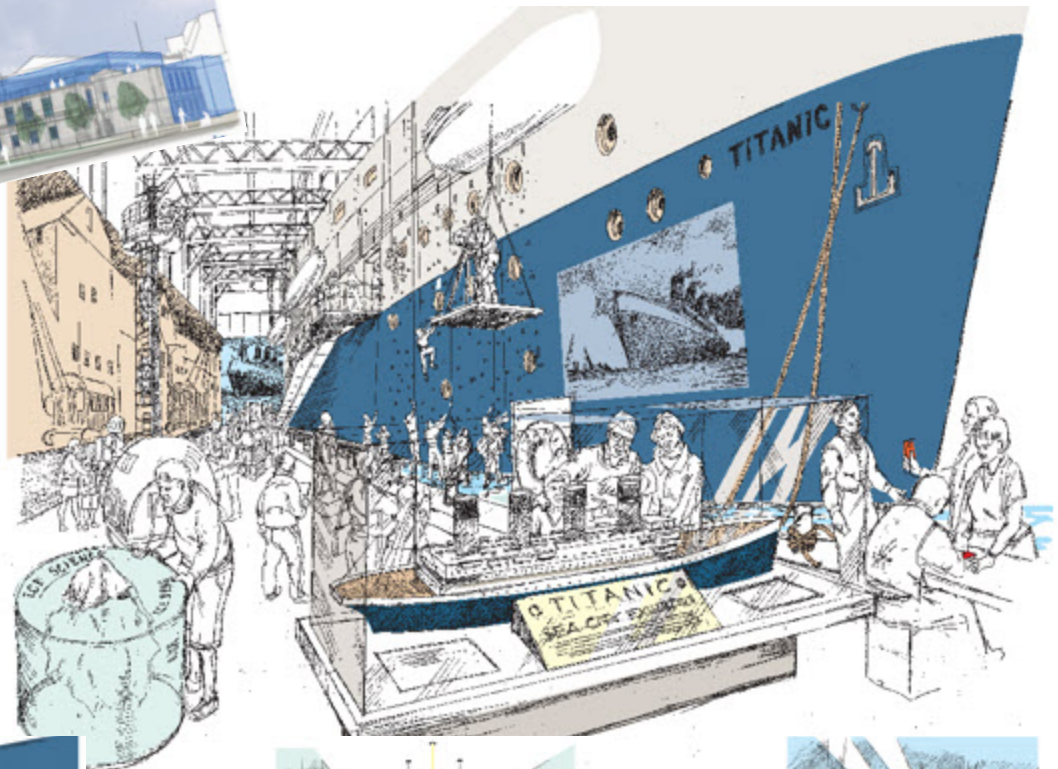

Working with the local authority client, we have produced a stage 1 HLF application to create a new heritage centre for Southampton

The new exhibition space of 4500 square metres will include a major new exhibition about the Titanic and the major role the local population played in the story.
