- **Exhibition Plus design and build contract**
- **Contract value £12,000.00**
- **180 square metres.**

A temporary exhibition for a wide audience of all ages giving creative input on how science can be presented in an exciting and fun way.

Said Claire Toogood, Creative Co-ordinator at Slough Museum. "Visitors enjoyed being able to handle the objects and we had many visitors, including teaching staff from schools, whose projects had featured in the exhibition."
